ABOUT ME

Software Engineer with 4+ years of industry experience specializing in mobile app development using Flutter, iOS (Swift), and cross-platform solutions. Experienced in building scalable, high-performance applications with strong UI/UX design focus and backend integrations via GoLang and gRPC. Skilled at delivering seamless digital experiences on both Android and iOS platforms.

WORK EXPERIENCE

Misfits Communities - Gurgaon, India (Remote) | March 2024 - Current

Software Engineer

- Developed and maintained cross-platform mobile apps using Flutter and native iOS features with Swift.
- Optimized mobile app performance and ensured smooth user experiences.
- Collaborated with product and design teams to enhance app usability and interface.
- Integrated backend services via gRPC and GoLang APIs.

HiCollege - India (Remote) | October 2023 - March 2024

Software Engineer (MOBILE)

- Built Flutter mobile apps for ed-tech, including iOS features using Swift.
- Integrated APIs and implemented performance improvements on mobile platforms.
- Participated in agile sprints with cross-functional teams to deliver quality apps.

CarPortal - Ghaziabad, UP | May 2022 - February 2023

Flutter Developer & UI/UX Designer

- Designed and developed responsive, cross-platform mobile applications using Flutter.
- Implemented iOS functionality with Swift where needed for automotive use cases.
- Created intuitive UI flows backed by user research to improve mobile usability.

Maishaa - India (Remote) | 13 Months

Flutter & Backend Developer

- Led the work on an admin panel and mobile dashboards using Flutter.
- Guided the team in building backend APIs with GoLang and gRPC for web and mobile.
- Moved the system from cPanel to AWS to make it faster and more scalable.
- Made sure apps and platforms stayed stable and performed well.

SKILLS

TECHNICAL Skills

- Mobile & Cross-Platform: Flutter, iOS (Swift)
- Backend & Databases: GoLang & API Development, gRPC, SQL
- DevOps & Tools: Deployment Automation, AWS, Git, JIRA
- Design: UI/UX

SOFT-SKILLS

- Project Leadership: Proven ability to guide teams and manage project timelines.
- Agile Methodology: Experience participating in agile sprints with cross-functional teams.
- Cross-functional Collaboration: Effective communication with product, design, and engineering teams.
- Cost Estimations: Skilled in project cost assessment and resource planning.

EDUCATION

Masters of Computer Applications

Vivekananda Institute of Professional Studies, GGSIPU | 2022-2024 - 8.14 GPA

Bachelors of Computer Applications

Vivekananda Institute of Professional Studies, GGSIPU | 2019-2022 - 8.74 GPA
